Do you have any other relevant training, qualifications or skills (computer literacy, expertise, etc.)?

Hobbies and personal interests (comic-book related or not) are central to what we do at The Comic Bug. Please list any hobbies and interests:

The Comic Bug is stocked with a variety of titles and merchandise and we work hard to draw attention to it all.

Choose a product or line that we do (or do not) carry that you feel deserves greater prominence and describe how you would draw attention to its virtues.

Product(s) _____

How would you ensure its increased exposure?

Maintaining excellent customer service is vital at The Comic Bug, but we've all experienced poor customer service in other establishments.

Describe a bad customer service experience you've either endured or witnessed (no names necessary!). Then imagine you were the employee in that situation and how you would've done things differently.

What happened?

If you were the employee, what would you have done differently?
